PREMIUM MINERAL

PRODUCT DATA SHEET

DESCRIPTION

FUELUBE Premium Mineral Engine Oil is a high-quality lubricant formulated to provide reliable engine protection and consistent performance under everyday driving conditions. Its carefully refined mineral base oil helps maintain effective lubrication, reduce friction, and protect critical engine components against wear. The balanced formulation also offers good thermal stability, oxidation resistance, and engine cleanliness while supporting smooth engine operation and dependable performance under various operating temperatures.

APPLICATION

Suitable for heavy-duty diesel engines in commercial trucks, buses, agricultural machinery, and construction equipment. Provides reliable lubrication and wear protection under demanding operating conditions. Recommended for engines requiring monograde engine oil, subject to the manufacturer's specifications.
